GENERAL

Cleaning, maintenance and installation	Please refer to guidance at www.grainwoodfloors.co.uk
Laying instructions	We strongly recommend fitting is carried out by flooring professionals only and that advice is sought regarding the surface on which it is to be laid and the correct adhesives to be used.
Please note	Variations in the tonal range between the planks is due to differences that occur naturally in the Oak veneer which enhances the unique character of this engineered flooring product.
Warranty information	All warranties are subject to CCTUK T&C (available on request).
UKTR compliant	All goods are purchased in accordance with UKTR (Timber and Timber Products Placing on the Market Regulations) which came into effect in Great Britain (England, Scotland and Wales) from 1 January 2021, replacing EUTR (European Timber Regulations).
